## **KNOW YOUR ROLE! KNOW THE PROTOCOLS.**

*The following best practices are intended to offer guidance to our Germantown Soccer community. Adherence to these considerations and recommendations does not ensure immunity from exposure. Germantown Soccer Club makes no representations and assumes no responsibility for individual activity or participation decisions by Coaches, Parents, or Players.*

Parents, please take note of the following items prior to allowing your child to train:

- Ensure athletes are healthy, check their temperature daily.
  - Must be less than or equal to 100.4 degrees F to train
- If your child currently has any of the symptoms consistent with COVID-19 including coughing, sore throat, shortness of breath the child can not participate in soccer activities until cleared by a medical professional.
- Limited or no carpooling.
- Stay in the car or social distance when at training.
- Label your child's equipment to guard against cross-contamination.
- Ensure all equipment, cleats, ball, shin guards etc. are sanitized after every training.
- Notify the club immediately if your child becomes ill for any reason and do not bring them into contact with coaches or other players.
